Our Legacy

Sally's Apizza was **founded in New Haven, CT** by Salvatore "Sally" Consiglio **in 1938.**

We hand-craft authentic New Haven pizza in **custom designed ovens**, using Sal's original recipes.

Famous for our **distinctive tomato sauce** and chewy, crispy crust with an **iconic oven-kissed char**, Sally's draws pizza fans from around the world.

A group of approximately 18 Sally's Apizza employees are posed in a hallway. They are wearing dark-colored shirts with the "Sally's APizza" logo. The hallway has a brick wall on the left and a glass door on the right. The text "Our Purpose" is overlaid in red on the left side of the image.

Our Purpose

Bringing **More Passion** into Communities and Lives.

More **Excitement.**

More **Fun.**

More **Love.**

Our Mission

Every day **40 million people** in the United States are eating pizza.

How many of them have **great pizza** where they live?

Sally's mission is to make great pizza available **to everyone.**

We believe great pizza
brings people together.

What is great pizza?

Pizza that dances with flavor
and lights up the senses.

It's so good you're craving it
the next day.

So good that people
stand in line for it.

Our Unique and Craveable Recipe.
Made The Sally's Way since 1938.

Sally's

... CRAFTED PIZZA LIKE NO OTHER

A close-up, dimly lit photograph of a person's hands working with dough. One hand is sifting a fine white powder, likely flour, over a large, irregular piece of dough that rests on a wooden surface. The background is dark, and the lighting highlights the texture of the flour and the dough.

The Sally's Way

Do everything like you're **doing it for your family.**

Make every dish **rousing** to the palette.

Give it that **wow factor.**

Watch their **face light up** with each bite.

We believe in the power of **Hospitality Momentum**

Everything starts with hiring team members who genuinely enjoy **making people happy.**

Provide enthusiastic people with an enjoyable place to work and it leads to guests **having great experiences.**

This positive circle of **momentum benefits everyone** in our ecosystem.

Pizza is the most **popular** food.

It's the most **shareable** food.

The most **sociable** food.

There should be pizza restaurants where people feel **excited to get together** with family and friends.

**We're elevating and redefining
the pizza restaurant category.**
